Dear Mrs Elliott:

I have written to you less this year than any time since we have had the ballclub. The fact is we have been drawing so well at home, we do not travel any more than we have to. In addition the team is looking very good.

I am writing you now because we are playing in Chester Wed. Aug. 29th, and Phila. the 30th and I want to stay in Philly both nights. That is I want the team to stay there. Will you please reserve rooms for them.

We are playing in Shibe Park Thursday night. Why don't you come out to see us? The fans are supporting the baseball nicely, but the business is being run as poorly as ever.

Hope to see you when I come over.

Very Truly Yours
